Good news

I spoke to Darren last night. He has found a site and has someone willing and able to build it out to MGU needs for little to no cost.

Darren is going to get some of the details on paper so the MGU board can discuss.

I will keep you guys apprised and if we get to a point where we need support from MSCC, I will let you know.

Thanks
Amy

Hurray! And no worries. Should I call him directly or would it make more sense for you to talk to him and the two of you call me to let me know what kind of facility you're looking for? No rush anyhow.
